Model: Standard, Command Thrust (CT)
Shaft Length: Long, XL

Information

Mercury's proven four stroke engines deliver easy starting, gutsy performance, and great all-round reliability. Across the range you'll find an array of features at an affordable price. Tuned for maximum acceleration and throttle response. Great for deck, inshore fishing, bass, aluminum tiller, aluminum console, runabout open bow, inflatable rigid hulls, fish & ski boats. Available in a Command thrust model.

The larger CT gearcase creates a bigger footprint in the water, providing more leverage to better control your boat. The larger torpedo, combined with a bigger-diameter prop, can lift a heavy boat onto plane more easily and hold it there at lower speeds without impacting top speed.

Specifications

Engine

Engine Make:
Mercury

Displacement:
2.1

Year:
2024

Horse Power:
100

Warranty:
3+3 years

Stroke:
Four

Cylinders :
4

Gauges:
Digital

Control:
Mechanical

Boat City are a family business that have been at the forefront of the marine industry since 1962.

With one of the largest ranges of brands both new and used, you can purchase with confidence that we will have something to suit your needs.
