Information

Find the Reflex Chianti 530 just that little bit too small? Well the Reflex Chianti 585 is the answer! With a 36% increase in the size of the cockpit there is room for everyone. The 585 keeps all the same characteristics of the 530, soft ride, dry, great handling, and sharp looks, it's just the extra room that means if you have teenagers or they bring friends you will have the room. Fishing with four adults is also a breeze.

Sticking to the Reflex Chianti Special Edition theme the 585 has been recently upgraded to give you the special features of a much larger boat. Hydraulic steering is now standard giving you an effortless driving experience. Folding H/D Stainless Bimini gives the boat that overall stylish look not seen on other boats of this size. Combine this with a 6 Rod Rocket Launcher and it means your fishing rods are up and out of the way preventing them from getting damaged in transit.

The now standard 80L underfloor tank packaged with a four-stroke engine means a day on the water without having to take 3-4 twenty litre fuel tanks that take up room and ruin the look of your new boat.

Boat City are a family business that have been at the forefront of the marine industry since 1962.

With one of the largest ranges of brands both new and used, you can purchase with confidence that we will have something to suit your needs.

We can ship anywhere in the country any time, just ask us for a quote.

For everything on the water and more.
