Information

The **Fyran 610HT** is a multipurpose alloy boat designed to have a great ride with a fine entry and yet be stable at rest providing a comfortable fishing and water sports platform. A good ride, stability, safety and affordability were the key areas focused on when the design brief was conceived. With a large cockpit area for fishing and your choice of the bulkhead or open layout, this boat has the capability to overnight with ease. It's soft stable ride also means you can easily Gamefish out wide in this boat making it one of our most popular models.
