Information

****PRICE AS DISPLAYED****, no extra costs! A huge range of standard features that most brands consider extras. Dare to compare these with other similar sized packages.
Designed, developed and tested in Australia this Positive Floatation hull has been Independently Certified to meet Australian ABP & buoyancy Standards AS1799.1 and comes with a 6 -year Structural Fibreglass Hull Warranty.
The zero underfloor timber construction, safe high freeboard, & class leading strong resin infused fibre-glassing process has already seen it exported to New Zealand, Canada and Korea. Closed cell P.U.F.F foam filled stinger & hull for added buoyancy & positive flotation.
Strength, Stability and fuel-efficient hull design are built into the DNA of every SLR Model
****Some impressive standard features include:****

- Fold out rear lounge for extra deck space when required, underfloor storage locker, and soft gas ride seat pedestals are all standard.
- Underfloor fuel tank, A Frame Ski pole, Premium Grade Vinyl Cabin & Cockpit Upholstery with Bunk infill
- Hydraulic Steering, Custom EVA Flooring that is soft and no slip, Hardtop Rocket Launcher.
- Long side pockets and trays for extra storage, extra large dash to accommodate large electronics
- Hard Top Hatches, Lockable Forward Cabin, Sliding Windows and Softrider Pedestals with High Back Bolsters, Back Drop Road Cover
- Windscreen Wiper and Washer
