Information

The SLR (Legacy) 510 SE is a Safe, Strong & Stable Fiberglass boat for fishing, cruising, and water sports. It is easy enough for one person to launch and retrieve yet big enough to handle the rough stuff, and carry up to 5 people offshore.

High internal sides with built-in rear buoyancy pods offer a safe, stable & dry ride, to get you there & back in safety and comfort.

Enclosed foam filled compartments, Resin infused fibreglass construction, and a quiet fuel-efficient hull design are built into the DNA of every SLR (Legacy) Model
