Information

Introducing the Kiwi Kraft 615HT—a cutting-edge hard top pontoon boat that delivers an unmatched blend of safety, performance, and style for today's adventurous boater. If you're looking for a boat that stands up to New Zealand's rugged waters while offering ample comfort and versatility on deck, the 615HT is engineered to meet and exceed your expectations.

Innovative Hull and Pontoon Design:

The secret to Kiwi Kraft's exceptional performance lies in its innovative hull design. The 615HT's variable dead rise and deep, forward entry create a long, refined bow that effortlessly cuts through waves. This results in outstanding handling characteristics and an exceptionally stable, soft ride, ensuring that even when conditions get rough, you remain in control and comfortable.
