### Information

Our boats are the top choice for both fishermen and families, providing key advantages over other aluminium boat manufacturers. With a reputation for superior performance and durability, our boats are sure to meet the evolving demands of the modern boater.

The Flyfin 1700WT would make an ideal boat for launching off the beach, it's light weight and 5.2M size means that two people can handle with ease and those with experience will be able to launch by themselves.
