Information

Senator 500SC is the award-winning new release side-console that proves you don't need a big boat to fish seriously in NZ conditions. Its side-console layout opens the cockpit for 360° fishability, with clean casting lanes, flexible seating and clever storage that keeps the deck uncluttered.

Senator's welded pontoon hull adds reserve buoyancy and rock-solid stability at rest, while the deep-vee entry softens short harbour chop for a remarkably dry, composed ride. High sides and wide gunwales boost confidence when you're handling fish or gearing up to dive.

The 500SC is easy to tow, launch and store, so spontaneous missions are back on the menu — slip out for an evening bite or cover coastline efficiently on the weekend. Built in tough marine-grade aluminium, it rinses down fast and takes day-in, day-out use in its stride.

Match with a Yamaha or Mercury outboard motor for responsive economy, then add the electronics, storage and bait-station options that suit your style. If you're moving up from a tinny or downsizing to something agile and efficient, the Senator 500SC hits the sweet spot between capability, simplicity and value.

Boat City — Kapiti's and New Zealand's leading authorised Senator Boats dealer.

Specifications

Boat					
Hull Length: 5	Deck Area: 4.6	Pontoon thickness: 3	Overall Length on Trailer: 6.3	Width on Trailer: 2.6	Height on Trailer: 2.1
External Beam: 2	Internal Beam: 1.4	Hull Thickness: 4	Freeboard: 615	Material: Aluminum	Warranty Structural: 5 years
Fuel Capacity: 90	Approx. Tow Weight: 750				

Engine

Prop: Alloy	Horse Power: 60	Stroke: Four	Cylinders : 3	Gauges: Digital	Control: Mechanical
Steering: Cable					

Trailer
