Information

Senator 500CU brings practical cuddy shelter to a nimble, family-friendly runabout that still fishes brilliantly. The compact cabin protects kids and crew up front and swallows gear to keep the foredeck tidy, while the open cockpit aft gives you genuine space to set lines, net fish and move freely.

Senator's aluminium pontoon design builds in stability and buoyancy for peace of mind at rest, and the deep-vee hull delivers a soft, dry ride when breeze and tide collide. Towing and storage stay easy, launching is drama-free, and the durable marine-grade aluminium construction rinses down in minutes after a day out.

Choose between a Yamaha or Mercury outboard motor for smooth, efficient performance, then tailor electronics, seating and accessories to your style — from relaxed family boating to focused inshore fishing. If you want shelter without giving up an uncluttered deck, the Senator 500CU is the small boat that encourages more time on the water in real NZ conditions.

Boat City — Kapiti's and New Zealand's leading authorised Senator Boats dealer.

Specifications

Boat					
Hull Length: 5	Deck Area: 2.2	Pontoon thickness: 3	Overall Length on Trailer: 6.2	Width on Trailer: 2.3	Height on Trailer: 2.22
