Information

This **Fyran 520** is an **ex-demonstrator / floor model** with just **3 hours** on the clock, making it an exceptional opportunity to secure a near-new boat without the new-boat price. Built with a strong **6mm hull**, the Fyran 520 delivers a soft, confident ride that's well above what you'd normally expect from a 5.2m boat.

Perfectly suited to **beach launching and retrieving**, this compact yet capable rig also features a rare **forward cabin** — great for kids or storage — while still offering **plenty of fishing space aft**. Fully optioned and finished in **full Nyalic**, this is a tidy, turn-key small-boat package.
