Information

The **Senator RH690** is a premium New Zealand-built offshore hardtop designed to deliver confidence, comfort, and serious fishability in demanding conditions. This **brand new package** is powered by a **Yamaha 250hp Digital Electric Steering (DES)** outboard and features **Helm Master Joystick Control** for effortless low-speed handling and precise docking.

Featuring an **extended wheelhouse** for added protection, sliding windows, and a thoughtfully designed interior, this RH690 is equally at home pushing offshore after game fish or cruising comfortably as a family day boat. With premium electronics, overnight capability, and a long list of factory and custom extras, this is a seriously well-specified vessel.
