Information

This **McLay 591HT** is a fantastic opportunity to step up from a cabin boat into a true **hardtop configuration**. Offering genuine protection from the elements and a practical fishing layout, it's a great all-rounder in a manageable size.

Powered by a **Mercury 115hp Command Thrust (CT)**, this package delivers strong low-to-mid range torque, excellent control, and reliable performance. Well set up for fishing and coastal cruising, it includes quality electronics and key fishing upgrades.

Finished in **Nyalic** to help protect the boat from the elements and make maintenance easier over time.
