### Information

This **Kiwi Kraft 585HT** is not just another hardtop — it's a performance-focused, premium NZ-built alloy boat designed for serious conditions.

Known for their **exceptional ride quality, stability, and build integrity**, Kiwi Kraft boats are engineered to deliver a soft, confident ride with impressive balance both underway and at rest.

The hull design provides a **quiet, smooth ride** while maintaining excellent stability — whether you're pushing offshore or drifting over structure. Build quality is evident throughout, with strong construction and a refined finish that sets Kiwi Kraft apart.

Powered by a **Mercury 115hp Command Thrust**, this package offers strong torque, excellent control, and efficient performance.

Now available at a **one-off special price**. Limited to this boat only.
