Information

The Sea Storm 14 is a modern HDPE boat package designed for buyers wanting a practical, low-maintenance boat with a more refined and capable on-water experience. Powered by a Mercury 40hp outboard and matched with a premium Futura alloy trailer, this complete package delivers excellent stability, efficient performance, and easy ownership in a versatile and easy-to-manage setup.

Designed for real-world boating, the Sea Storm 14 combines durable HDPE construction with a practical layout, comfortable seating, and premium package presentation. The HDPE hull provides a quieter and softer ride while remaining incredibly durable and resistant to the knocks and demands of everyday boating. Combined with the refined layout, quality finish, and upgraded cross-stitch padded squabs, the Sea Storm 14 offers a noticeably more premium feel than traditional entry-level boats.

Available with industry-leading 4.99% finance, the Sea Storm 14 package has been designed to make boating more accessible without compromising on quality, comfort, or usability. Ideal for fishing, family boating, cruising, and buyers wanting a versatile package that is easy to tow, launch, clean, and enjoy.
