Information

The Kiwi Kraft 665HT is a premium hardtop fishing boat designed for New Zealand conditions. Combining Kiwi Kraft's renowned HUSH hull technology, exceptional pontoon stability, and practical hardtop layout, this package is built for serious fishing, offshore adventures, and comfortable family boating.

Powered by a Suzuki DF200TX, the 665HT delivers strong performance, excellent fuel economy, and effortless cruising capability. Kiwi Kraft's variable deadrise hull design provides a soft ride in rough water while maintaining impressive stability at rest.

This particular package has been specified to an exceptionally high level and represents outstanding value. With a full vinyl wrap, premium Garmin electronics, electric anchor winch, tandem braked trailer, and extensive fishing features already fitted, it's ready to hit the water immediately.
