Information

The Quintrex Dart is all about simple, affordable boating. Lightweight, easy to tow and easy to launch, it's the perfect package for someone wanting to get on the water without spending a fortune. Powered by a Mercury 15MH, this package is ideal for harbour fishing, sheltered water adventures, and quick evening trips. Its compact size makes it easy to store at home, transport to the bach, or launch from the beach whenever the opportunity arises.

For young anglers, first-time boat owners, or anyone wanting a straightforward fishing boat that doesn't require a large tow vehicle or complicated setup, the Quintrex Dart is hard to beat.
