As Displayed
\$72,370.00

Information

With the market shifting into hardtops of all sizes Mclay spotted a gap in the market and introduced the 571HT. The hull is a modified version of the 571 cuddy to counter act the weight of the hardtop. This boat has stability at rest and a beautiful ride to go with. A great entry point into the hardtop market. Powered with Mercury 90hp four stroke and Toko Trailer.

Specifications

Boat					
Hull Length: 5.65	Overall Length on Trailer: 7.0	Width on Trailer: 2.4	Height on Trailer: 3.0	External Beam: 2.2	Internal Beam: 1.8
