

Reflex Reefrunner 655

\$103,000.00

or weekly at \$380.19

Description

This boat has been set up with the serious fisherman in mind. Set up with twin soft-rider pedestals gives this already roomy boat even more space. Not to worry though as there is a rear folding bench seat that tucks out the way when fishing that can be used to carry your passengers to and from your destinations.

Extras:

- Mercury 150hp
- Simrad GO7 FishFinder/GPS
- VHF & antenna
- Lone Star GX2 Drum winch with anchor rope and chain
- Fusion stereo (SRX400) with speakers
- Road cover
- Front and Side Clears

Combine these extras with the Limited Edition features and you have a serious bit of kit with expectational good value for money with what is out there in the marketplace.
