Information

Senator RH580 is the compact hardtop that punches above its size — big-boat stability with easy ownership. The deep-vee hull gives a cushioned, dry ride when the breeze is against the tide, while high sides and generous freeboard add confidence for families and crews.

The cockpit is genuinely fishable, with space to work lines, gear up for a dive or host a relaxed day on the harbour. Built in marine-grade aluminium, Senator RH580 is tough, it remains straightforward to tow, launch and store, so it doesn't sit idle waiting for perfect forecasts. Match with a Yamaha or Mercury outboard motor for responsive, economical performance, then tailor electronics, seating and accessories to how you boat.

If you're stepping up from a smaller runabout or downsizing from a big rig, RH580 strikes a sweet balance of comfort, safety and practicality for New Zealand conditions.

Boat City — Kapiti's and New Zealand's leading authorised Senator Boats dealer.
