Information

Perfect for the serious boating family, commercial user, rescue craft or charter vessel, this boat is a large hardtop with open lock up options and a huge internal cockpit width of more than two meters

At 2.7m wide, Senator's RH780W is a truly impressive offshore boat.

The roomy cockpit and main cabin offer increased comfort and the reassuring sense of safety and security only a larger boat can deliver.

Power can be delivered via single, twin or stern drive, with diesel and petrol motors available through to 350 horsepower.

With a tow rating of 2,500-3,500kg, the RH780W sits well behind many of today's larger SUVs.

Boat City are a family business that have been at the forefront of the marine industry since 1962.

With one of the largest ranges of brands both new and used, you can purchase with confidence that we will have something to suit your needs.

We can ship anywhere in the country any time, just ask us for a quote.

For everything on the water and more.
