Information

Senator RH780 brings a flagship feel to offshore hardtop boating — refined deep-vee ride, generous cockpit, and the inherent stability and reserve buoyancy of welded aluminium pontoons.

It's a boat for long-range coastal exploring, multi-day trips and game seasons when comfort and confidence matter as much as capability. High sides and wide gunwales create a calm working platform at rest, while the hardtop shelter extends your season well beyond blue-sky weekends.

The layout is built around real NZ use: room for bins and gear, sensible storage, and easy movement when the bite turns on. Constructed in marine-grade aluminium, RH780 is tough, low-maintenance and designed to be used hard and often.

Choose between a Yamaha or Mercury outboard motor to balance range and efficiency, then add electronics and comfort options that fit your missions. If your plans involve going further, staying out longer and making the most of our coastline, Senator RH780 is the Senator that feels at home out wide.

Boat City — Kapiti's and New Zealand's leading authorised Senator Boats dealer.

Note: Senator RH780 are often highly customised, therefore we cannot accurately predict the weight of the completed boat in every case. Please be aware the Boats that weigh above 3.5 tonne require a COF trailer by law

Specifications

Boat					
Hull Length: 7.9	Deck Area: 5.85	Pontoon thickness: 3	Overall Length on Trailer: 9.4	Width on Trailer: 2.7	Height on Trailer: 3.15
External Beam: 2.7	Internal Beam: 2.16	Hull Thickness: 6	Freeboard: 760	Material: Aluminum	Warranty Structural: 5 years
Fuel Capacity: 315	Approx. Tow Weight: 3200				

Engine

Prop: Stainless Steel	Horse Power: 300	Stroke: Four	Cylinders : 6	Gauges: Digital	Control: DTS
Steering: Hydraulic	Shaft Length: XL (25")				

Trailer

Make: DMW	Axle: Tandem	Coupling: Duo	Mag Wheels	Winch: Manual
