Information

The **SD300 Inflatable Boat** is designed for boaters who want a tough, versatile inflatable with extra space and capability. Larger than the SD230 and SD270, the SD300 offers a stable platform for **family adventures, fishing trips, or use as a tender**. Built with reinforced PVC and a rigid floor, it provides durability and stability while remaining portable and easy to set up.

Why Choose the SD300 Inflatable?

More Room, More Comfort

- Larger size for passengers, fishing gear, or dive equipment.
- Still compact enough to store and transport when deflated.
- Quick to inflate and deflate for hassle-free use.

Built Tough

- Heavy-duty PVC construction with reinforced seams.
- Multiple air chambers for added safety and buoyancy.
- Rigid, non-slip flooring for stability and comfort.

Capable Performance

- Rated for up to a **15hp outboard** for speed and control.
- Smooth handling in lakes, rivers, and sheltered coastal waters.
- Stable ride with capacity for family or fishing crews.

Value & Versatility

- Affordable alternative to premium inflatable models.
- Strong, reliable, and versatile for many boating activities.
- Great balance of space, performance, and portability.
