Information

The **SD330 Inflatable Boat** is a larger, more capable inflatable designed for families, fishing crews, and yacht tenders. With its reinforced PVC build, rigid flooring, and multiple safety chambers, the SD330 offers excellent stability and safety while remaining portable and practical. Rated for bigger outboards than smaller SD models, it delivers more speed, control, and carrying power — perfect for New Zealand's lakes, rivers, and sheltered coastal waters.

Why Choose the SD330 Inflatable?

Spacious & Comfortable

- Larger deck area for passengers, fishing gear, or dive equipment.
- Generous load capacity for families or small groups.
- Packs down for storage and transport when deflated.

Strong & Dependable

- Heavy-duty PVC with reinforced seams for strength.
- Multiple air chambers for safety and buoyancy.
- Rigid, non-slip floor for comfort and stability.

Performance That Delivers

- Rated for up to a **20hp outboard** for speed and versatility.
- Excellent handling and stability across a range of waters.
- Strong, reliable choice for tenders, fishing, and family use.

Value with Capability

- More space and power while staying affordable.
- Great option for boaties stepping up from smaller inflatables.
- Practical and easy to maintain.
