Information

The **SA400 Inflatable Boat** is the ultimate option in the SA range, built for those who need maximum space, carrying capacity, and performance. With a larger footprint and robust build, the SA400 is perfect for **families, fishing crews, divers, and yacht tenders** who demand more from their inflatable. Despite its size, it remains portable and practical, making it an outstanding choice for New Zealand waters.

Why Choose the SA400 Inflatable?

Spacious & Comfortable

- Largest model in the SA range, with extra room for passengers and gear.
- Generous layout ensures comfort on longer trips.
- Packs down for transport and storage when deflated.

Strong & Safe

- Constructed with **heavy-duty PVC** and reinforced seams for durability.
- Multiple air chambers add reliability and safety.
- Solid, non-slip floorboards give stability and confidence.

High Performance

- Rated for up to a **30hp outboard**, providing serious speed and control.
- Exceptional load-carrying capacity for people, fishing equipment, or dive gear.
- Smooth, stable ride on lakes, rivers, and coastal waters.

Built for Versatility

- Dependable **inflatable tender for large yachts and launches**.
- Ideal for multi-person fishing and diving trips.
- Family-ready design offering stability and comfort.

Perfect Pairing with Yamaha & Mercury Outboards

At **Boat City**, we'll help you power your SA400 with the perfect outboard. Paired with a **Yamaha or Mercury portable engine**, the SA400 delivers unmatched performance, efficiency, and reliability. Our team ensures the right setup so you can get the most from your inflatable.
