### Information

New to the Boat City line up we have a well appointed 6.5M hardtop from Challenger boats.

The 650 hardtop will get you out to the deep ledges, bottom bouncing or trolling for the elusive big game, in comfort and style or better yet, take the family on the lake for a picnic and a ski.

The combination of strength, agility, layout and performance make this an obvious choice for anyone wanting a safe practical family/fishing boat.
