Information

If supercharged power, exceptional handling and a tonne of extra features revs your heart, then Yamaha's high-end FX SVHO (Super Vortex High Output) WaveRunner is your craft of choice.

This powerful yet agile watercraft offers outstanding all-round versatility, whether racing, touring, three-up riding or towing. The key to its success is the partnering of Yamaha's highly powerful, 1812cc, supercharged purpose-built marine engine with comfortable and responsive hull and deck. This combination of industry leading technologies delivers unbelievable power and exceptional handling performance.
