Information

Keep yourself hydrated the eco-friendly way. The sustainable alternative to disposable plastic bottles - the LegaSea Drink Bottle is an insulated and reusable water bottle with a hand grip attached to the lid. This 32 ounce, double wall stainless steel bottle features a plastic straw lid which is leak-proof when closed. The LegaSea Drink Bottle keeps drinks hot for up to 8 hours, and cold for up to 3.5 hours.

LegaSea is a non-profit organisation dedicated to restoring the abundance, biodiversity, and health of New Zealand's marine environment. As a proud sponsor, the proceeds of LegaSea x Barkers products go towards the continuation of this important work; public education of policy and fisheries management, research and the ongoing health of New Zealand's marine environment.
